1. ☒ The amendment filed on _____ under 37 CFR 1.312 has been considered, and has been:

a) ☐ entered.

b) ☐ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☒ disapproved. See explanation below.

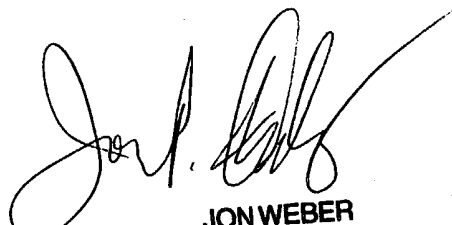

e) ☐ entered in part. See explanation below.

First, the listing of claims is not correct. Claims 1-19, 23 and 25-27 were cancelled by Examiner's Amendment, but are now listed as "previously withdrawn", rather than cancelled.

Second, in claim 24, second-to-last line, the phrase "and ascorbate" is underlined, which it should not be, since this phrase was inserted pursuant to the Examiner's Amendment.

Third, the amendment to claim 28 will not be entered, since the indicated amendment has already been directed by the Examiner's Amendemnt.
